Flexible Payment Options

Flying J REBATES!

<u>Gallons</u>	<u>Rebate (cents/gallon)</u>
1,000 – 1,999	0.5
2,000 – 2,999	1.0
3,000 – 4,999	1.5
5,000 +	2.0

The above schedule is subject to change. Cumulative gallons will be calculated by adding all gallons purchased from **Flying J** locations to arrive at the amount of cents per gallon to be rebated. For rebate eligibility your company must have more than half of all company trucks operating on the **TCH Express Fuel Card**.

FLEXIBLE PURCHASE CONTROL

Being able to set purchase limits is the power behind TCH Express Fuel Card. We understand each of your employees may have different needs, and TCH Express Fuel Card allows you to set different limits for each card in the categories listed:

Diesel #1	Truck Washes
Truck Parts	Oil Changes
Truck Repairs	Oil
Tires	Unleaded Gasoline
Diesel #2	Agricultural Fuel
Reefer Fuel	Scales
Natural Gas	Propane
Additives	

DATA CAPTURE

Choose to have drivers input data right at the point of purchase. This not only ensures proper use of the card, it also helps gather information that will prove helpful in developing reports.

Personal ID	Driver ID
Drivers License	Unit Number
First Initial	Odometer
Last Name	Trailer Number
Trip Number	

* All Control and data capture options must be pre-authorized.
